Notes

Uniform – Why do we need a school uniform? Discussion based on when we get older and get a job we have to wear one. Important to wear non-branded for those who can't afford it. Thomas said that he liked wearing Adidas and Nike sports shorts for P.E and that some children wear these even though it wasn't the correct uniform and teachers need to make sure they tell the children. Billy added that the correct uniform is necessary for when you get a job.

Summer Fair -Billy would like to host and asked if we could share images of the history of the school. The children said that they are looking forward to showing their dances which they have been practicing related to 1984 when the school was first opened. Arabella asked if there will be past teachers attending. Mr Boulter said that invites had been sent out. Harvey asked which stalls would be there. Mr Boulter said fair rides, penalty shootout, toy stall, burger van, music demonstrations, sports demonstrations, raffle, guess the name of the teddy to name but a few

Collective Worships –Mr Boulter asked the children what they liked and disliked about Collective Worships. Billy enjoys singing practice and has asked about having singing as part of the Monday and Friday worship as it makes everyone happy to sing. They said that they really enjoy the church assemblies and the people that lead them.

School dinners-Mr Boulter asked about how the children enjoyed the new menu. Arabella stated that she would like to see the salad bar back and more deserts available. Mr Boulter talked about how important it was that the school menu was balanced and reflected the Governments health meals policy.
